**Alice:** Sure, ask any question you like. I'm an open book.

**Jack:** Do you have a boyfriend?

**Alice:** Well, I go out with some boys, but that's nothing serious... According to my birth chart I need some Taureans, but that's not easy now that Saturn is in Leo...

**Jack:** I see... Anyway I think you have a strange relationship with boys...

**Alice:** Oh no! I like boys very much! They're great at carrying packages!

**Jack:** You are exceptional...

**Alice:** Thanks, Jack. But now, stop talking about me. Let's talk about you. What do you think of me?... No, really, I'm curious: what do you do at work?

**Jack:** Oh, nothing special. Uh... You know "Speedmaster", the sporting goods factory?

**Alice:** Yeah, sure! They produce wonderful running shoes! What department do you work in?

**Jack:** I'm a sales manager. Last month they gave me a promotion and now I'm responsible for Southern Europe. That's why I moved here.

**Alice:** Wow! That's really interesting... You must be very good at work. And what exactly do you do?

**Jack:** Oh... Basically, I look for new clients and keep them informed about new product lines and take care of their requests.

**Alice:** What kind of requests do they have?

**Jack:** Oh, they often ask questions about new models and prices.

**Alice:** What do you do if they want a discount?

**Jack:** Well, basically I don't get mad! I listen to them, and then I tell them "No"... Well, seriously speaking, it depends... Each client is different... if they are important I try to make an agreement with them.

**Sharon:** Ah, that's an interesting question!

**Jack:** Really? Why do you say that?

**Sharon:** Well, you know, I have a degree in archaeology, but now I'm doing something quite different.

**Jack:** Do you have a part-time job?

**Sharon:** No, unfortunately it's a full-time job. I work for a travel agency.

**Jack:** Oh... What do you do?

**Sharon:** I give tours around the city. I bring tourists to monuments and museums and other interesting places.

**Jack:** Oh, that's nice! Could I have you as a tour guide for one day?

**Sharon:** I'm sorry, I only work with groups. Usually with Japanese people.

**Jack:** Oh, well, I'm a black belt in karate...

**Sharon:** Very funny... but it's not enough...

**Jack:** It's too bad... Anne, stop cleaning for a moment. Sit down and tell me about your job!

**Anne:** Okay, okay, okay, okay. I work in a publishing company.

**Jack:** Oh, you work with famous writers!

**Anne:** Not exactly, I don't work with the writers, I just read their proofs and correct them before printing.

**Sharon:** Ah, by the way, do you know Paul Taylor? He works with you, right?

**Anne:** Yes, yes, but we don't work in the same department. He works in the advertising department. But we are good friends. Every weekend we play tennis together.

**Jack:** Play tennis? I'm jealous!

**Anne:** Do you play tennis, too? Do you want to play with us?

**Jack:** Well, just joking. I don't play tennis that well. Only karate.

### Let's talk: Low cost airlines

*A "Let's talk" program műsorvezetői, Marie és Tom, arról beszélnek milyen előnyökkel jár, ha fapados légitársasággal utazunk.*

**Eric:** Good evening from Eric Brown. Welcome to another edition of "Let's talk". With me here in the studio are Marie and Tom. Hello Marie, hello Tom!

**Marie and Tom:** Hello Eric!

**Eric:** Well, today let's talk... let's talk about... about what Marie?

**Marie:** Low cost airlines.

**Eric:** Very interesting!

**Marie:** You're right Eric! You know, there are 90 low cost airlines in Europe today...

**Eric:** Really... so many!

**Tom:** Yes, that's right, 90. Lots of people fly with low cost airlines.

**Marie:** Of course! It's very cheap to fly with these airlines.

**Tom:** It's not always cheap, Marie, it is cheap to fly midweek on Tuesday, Wednesday or Thursday but it's not cheap to fly at weekends, on Saturday or Sunday.

**Eric:** Mmm... but... are the planes safe?

**Tom:** Yes, the planes are usually new, so they are safe...

**Eric:** That's good! It's important to fly in safe planes. And what about the tickets? Is it easy to find them?

**Marie:** Yes, it's very easy. I usually buy my tickets online with my credit card. Well... I travel a lot.

**Eric:** Really? You're a real expert on low cost airlines Marie, aren't you?

**Marie:** Yes, I am... my boyfriend lives in Berlin.

**Eric:** How often do you visit him?

**Marie:** I go to see him twice a month.

**Eric:** I see, I see... And are the flights on time?

**Marie:** Yes, they're usually on time. I leave work at five thirty in the afternoon and arrive at the airport at six. Perfect for the check-in.

**Tom:** That's very convenient, you're lucky Marie! Usually low cost flights leave from airports a long way from the city. What time's your flight?

**Marie:** At 7 o'clock.

**Tom:** You're really lucky Marie! Usually low cost flights leave late at night or early in the morning, when it's not convenient.

**Marie:** Yes, that's true, and yes, I am very lucky.

**Eric:** Is there any food on the plane?

**Marie:** Yes, passengers buy drinks and snacks.

**Tom:** Remember, the drinks and snacks aren't free, you have to pay, even for a glass of water!

**Marie:** That's true! But it doesn't matter! I arrive in Berlin at eight thirty. Just in time for a pizza with my boyfriend at "Bella Napoli", a very good pizzeria. The best one in Berlin!

**Eric:** Ah, ah, ah! But... for us... it's time to say goodbye. Ok... low cost airlines. Today there are many low cost airlines in Europe. It's cheap to fly with them. The planes are safe and the flights are usually on time. Very interesting, very, very interesting! Thank you Marie.

**Marie:** Thank you.

**Eric:** And thank you Tom.

**Tom:** Thank you.

**Eric:** And goodbye. See you again soon for another special edition of "Let's talk".

# Sport:

## Football training

*A "Sports Special" sportprogramban a szakértő John Forbes a futball világáról beszél.*

**Eric:** Good afternoon to everyone. Welcome to "Sports Special", the programme dedicated to all sports and all sports fans. I'm Eric Brown. In the studio with me is John Forbes, our sports expert. Well John... what are you talking about this afternoon?

**John:** Football.

**Eric:** Great! My favourite sport!

**John:** It's not only your favourite sport, Eric! Millions of people love football!

**Eric:** Of course! It's a fantastic game, the best sport in the world!

**John:** Well... maybe... but remember Eric... football isn't only about fame, success and money.

**Eric:** Oh... a lot of money! Professional footballers earn millions of euros.

**John:** That's true! But football is also about hard work... fitness training, stretching and jogging almost every day!

**Eric:** Really? How often do professional players train?

**John:** They go jogging every day at 8 in the morning and then they work out in the gym.

**Eric:** Ah!... So much exercise!

**John:** And that's not all!

**Eric:** Really? What do you mean?

**John:** Well, they also practise football skills three-four times a week with the team!

**Eric:** And... Where do they train?

**John:** They usually do fitness training at the football ground. First they do stretching, then they practise shooting.

**Eric:** Is the coach with them during the training?

**John:** Yes, of course! The coach is very important for the team. He shows the players good techniques for passing, dribbling and heading and he decides who plays in the matches.

**Eric:** How many matches are there in a football championship?

**John:** 30, more or less. You know, football championships take place in the winter, usually from September until June.

**Eric:** And when do they play matches?

**John:** At weekends, but the big clubs also play during the week for the European Cups.

**Eric:** Championships, European Cups, training... footballers are very busy!

**John:** Yes they are! The only time they rest is in the summer.

**Eric:** Well... holidays only in the summer, but what about fun? For example... can the players have a beer after a match?

**John:** Of course Eric... especially if they win! A beer is a perfect way to celebrate a victory!

**Eric:** Well, a footballer's training routine is very hard, but it's very rewarding too! Ok, thanks to our expert John Forbes! And goodbye to all football fans and sports lovers! See you again soon for a new edition of "Sports Special"!
