**What sports do you like doing?****1. JELENET**

**Peter:** Hi Jack, good morning. Look at this picture of Beck Nicholson windsurfing...

**Jack:** I know him... Can you windsurf?

**Peter:** Yes, I'm not great, but I can windsurf a little. I like windsurfing on summer holidays. And what about you?

**Jack:** No, I'm afraid I can't. But I can swim pretty well.

**Peter:** It's a great sport! What sports do you like doing?

**Jack:** Well, I can play tennis but I'm not very good at it... Oh, I can play chess very well!

**Peter:** Chess, that's not a sport! That's a hobby!

**Jack:** No, it's a sport! Can you play chess?

**Peter:** No. I don't like playing cards, chess, or other table games.

**Jack:** So what do you do during the winter?

**Peter:** Oh, I go to the gym. I can play basketball pretty well. I can also do a little karate.

**Jack:** That's interesting. I can do a little karate as well! Where do you go?

**Peter:** I like going to the Karate Gym on 14<sup>th</sup> Street.

**Jack:** Oh, interesting. I'm looking for a gym! Why don't we go there together? I'm usually free on Saturdays.

**Peter:** Sure... But I never go on Saturday: it's the only day I have to spend time with Sharon. I usually go on Friday afternoons... But now I'm so nervous about my audition that I don't have time for the gym, and for Sharon too... She's getting pretty angry...

**Jack:** Well... If you want I can take her out sometimes...

**Peter:** Oh, Jack, you're such a good friend! Maybe you can help me with my audition too!

# Travel: Dubai, a new destination

*Lucy interjút készít az utazási szakértővel, Christine Otenggal "The Travel Programme" c. műsorában; a híres idegenforgalmi célpontról, Dubairól beszélgetnek.*

**Lucy:** Hello, hello to everyone! Welcome to "The Travel Programme", the TV Show for all travellers. We talk about foreign countries, holiday destinations and tourist attractions with Christine Oteng, our travel expert. Hi Christine.

**Christine:** Hi Lucy and good morning to all travellers.

**Lucy:** You know, Christine is a real globetrotter. She visits 14-15 countries a year. Is that right Christine?

**Christine:** That's right Lucy! I travel a lot!

**Lucy:** So, what are you talking about today?

**Christine:** Well, I want to talk about a new tourist destination: Dubai, in the United Arab Emirates.

**Lucy:** Mmm... interesting. Dubai's a fascinating city. Modern and traditional at the same time.

**Christine:** That's true! In Dubai there are new skyscrapers next to traditional Arab "souks". But there's something else! Do you know why Dubai is famous throughout the world?

**Lucy:** No, I don't! Please, tell us... we're curious.

**Christine:** Because of the shopping. Dubai has duty free shopping. You can find everything there... designer clothes, cameras, high tech goods... all at very low prices!

**Lucy:** So, it's a real shopping paradise!

**Christine:** Yes Lucy, it is! But Dubai is also famous for its beaches, blue sea and white sand.

**Lucy:** It sounds wonderful. When's the best time to visit Dubai?

**Christine:** The best time to visit is from October to April. During this period the weather's good and there's almost no rain.

**Lucy:** So, it's a winter destination!

**Christine:** Exactly! In summer it's very, very hot there. It's about 40°C!

**Lucy:** Oh wow! Really hot! And what is there to do in Dubai? I mean, besides shopping, of course!

**Christine:** Well, there are many things to do there! You can go on desert safaris, camel rides, you can swim and if you like sports there are many centres for snorkelling and diving.

**Lucy:** Ok... So, you need a lot of time to do all these things!

**Christine:** Well, if you prefer to relax you can just sunbathe!

**Lucy:** That's true! What about hotels? Is it easy to find accommodation in Dubai?

**Christine:** Of course! There are many hotels at all prices! Most of them are new, with large rooms and good service.

**Lucy:** And food? What about the food?

**Christine:** You can find all kinds of food in Dubai. Middle eastern and international food: Lebanese, French, Italian, Indian and so on.

**Lucy:** Well, Dubai is the home of sun, sand and shopping. Do you like all these things? Then Dubai is the place for you! Goodbye Christine.

**Christine:** Goodbye Lucy and goodbye to all travellers.

**Lucy:** See you again soon to learn more about the world of travel with "The Travel Programme"! Bye, bye!

## Music: Sing a song

*A "Music World" televíziós zenei programban a zenei szakértő, Tony az új zenehallgatási módokról beszél.*

**Lucy:** Good evening, good evening! It's time for music now with "Music World"! In this programme we talk about music with our expert Tony Moore and of course we listen to good songs! Now, what kind of music do you like Tony?

**Tony:** Oh well, I like pop music and rock music too!

**Lucy:** Mmm... pop and rock are great types of music! Well... what are you talking about this evening Tony?

**Tony:** I'd like to talk about new ways of listening to music.

**Lucy:** Sounds interesting! What do you mean exactly?

**Tony:** Well, I mean downloading songs from the Internet. You know Lucy, this new way of listening to music is very very popular today, especially amongst young people!

**Lucy:** Really? Maybe because it's a cheap way of listening to music...

**Tony:** That's true, it is cheap. But this isn't the only reason! There are many music websites on the Internet. You can find all kinds of music. Old songs, unusual types of music, pieces of music by unknown artists or bands.

**Lucy:** So there's a good choice.

**Tony:** Exactly, there's a very good choice! It's a good way of listening to new styles of music. And you know many people like to listen to the latest records before they buy them.

**Lucy:** I see, I see! So, listening to music from the Internet is very popular. But how does it work? Is it difficult to download songs?

**Tony:** No, no, it's very easy! You go to the music website, choose the song you want to listen to, pay with your credit card and then download the MP3 file to a computer. Remember, you have to have your credit card ready, it's illegal to download music files without paying!

**Lucy:** Right, I'll remember that. But Tony! What's an MP3 file?

**Tony:** Well, MP3 is an audio file. It's the type file we use for pieces of music. But remember, Lucy... you can only listen to MP3 files on your computer or on an MP3 player!

**Lucy:** Ok, this is very interesting, but it's quite difficult for me. I'm not good with technology. I usually listen to music on my stereo.

**Tony:** Oh, don't worry Lucy! It's always difficult at the beginning. Now I'll give you an example of how it works. Are you ready?

**Lucy:** Yes I am.

**Tony:** Ok, you want to download a piece of music, this is what you have to do: you go on the Internet, you go to the music website. A music website is like a library of music. Here you can search by artist, type of music or genre, CD title or song. Do you follow?

**Lucy:** Yes yes, I follow you.

**Tony:** Good, so you choose the song, download it to your computer, then from the computer download it to your MP3 player. An MP3 player is a music container. It can store 7.500 songs.

**Lucy:** 7.500 songs, wow, so many! Well, you're right! It isn't very difficult! Ok, well, it's time to say goodbye to our viewers! So thanks Tony...

**Tony:** Thanks, bye, bye

**Lucy:** Bye. See you again soon here on "Music World". And... What would you like to listen to next time?
