That's life! My career comes first

Bring me back to life...

1. JELENET

Kora reggel van. Jack munkába készül, belép a konyhába, ahol Alice-t találja a konyhaasztalra borulva. Alszik.

Jack: Good morning, Alice. Wake up!

Alice: Good morning, Jack. Please, give me a cup of coffee... Bring me back to life... I'm still asleep.

Jack: Here you are. So, what are you doing today?

Alice: Well, first I'm taking a shower and after that I have my daily appointment with "Ask the stars"...

Jack: Ask... What?!

Alice: Oh, don't you know it?

Jack: Sorry, no!

Alice: It's the horoscope I listen to every morning on the radio. It's fantastic, I can't start my day without it.

Jack: How can I go out in the morning without the advice of "Ask the stars"...?!

Alice: Please Jack, this is not a joke: our entire life is driven by planets. By the way... What are you doing today?

Jack: Well... I'm going to work, just like every day and... Today it's Tuesday, isn't it? I have to go to the karate gym.

Alice: Wow! Are you doing anything this evening?

Jack: No, I don't have anything planned.

Alice: Well, Sharon, Anne and I are going to the cinema. Maybe Peter is coming, too. Would you like to come?

Jack: That sounds great. Which film?

Alice: We're seeing "Interview with the vampire".

Anne: Not that film, guys. I hate horror films. Why don't we go to see the latest Julia Roberts' film?

Jack e Alice: Oh, please, Anne.

Alice: We don't need more romance... We already have our love story in the apartment next to us... With Peter and Sharon, I mean.

Anne: Okay, you are right! Let's go to see "Interview with the vampire" then.

Jack: Well, I think... I prefer to stay home... Now I have got to go to work... See you later.

Anne: Is everything okay, Jack?

Jack: Yes, why? It's late, that's all... Bye.

Anne e Alice: Bye...

Jack: No, Anne! Sharon, the bookshop is on the right, past the museum, and between a chemist's and a bank.

Anne: No, no, Jack! You are wrong! The bookshop is...

Travel: Around the world

Lucy: Good evening and welcome to this week's edition of "The Travel Programme", the programme about everything to do with travelling and holidays. Here in the studio with me, as always, is Christine Oteng, our travel expert.

Christine: Hello Lucy.

Lucy: Well, summer's approaching and... and the summer holidays are too! So, have you got any suggestions for the holidays?

Christine: Well... let's see... are you bored with your usual holiday? Are you tired of beaches or trips to the mountains? Would you like to say "no" to museums, city tours and shopping? Well why don't you try something new and exciting?

Lucy: What exactly do you have in mind?

Christine: How about a holiday hunting for ghosts in a castle in Great Britain?

Lucy: Hunting for ghosts in a castle, that's certainly a change from lying on a beach! It sounds exciting!

Christine: It is exciting! Something really different! Just right if you love adventure.

Lucy: Mmm... but what do you have to do? Do you spend all the time looking for ghosts?

Christine: No, not all the time! In some ways it's like a normal holiday. In the morning you have a traditional English breakfast, then you can go for a walk or visit a local town. In other words, you do the things you always do when you visit a foreign country. But the fun starts in the evening! You have dinner and then the ghost hunting starts. With the help of one or two "ghost experts" you search through the haunted castle until late at night.

Lucy: Oh... it sounds frightening!

Christine: It is frightening! There are strange sounds, doors and windows open and close by themselves... Yes, it's really frightening, but exciting too! Tell me Lucy, do you believe in ghosts?

Lucy: Yes I do... but I'm not very brave, I don't think I'd like to visit places like that, especially not at night! Are there any haunted castles in Great Britain?

Christine: Oh, yes there are, especially in Scotland! Many of the castles in Scotland have got ghosts. There are some fascinating ghost stories... there are lots of books about haunted castles. Why not read one before visiting Scotland!

Lucy: I see... a holiday spent looking for ghosts. A night in a haunted castle would certainly be a memorable experience!

Christine: It certainly would! And if you want to see even more ghosts... before you return home try a "ghost walk" in London... visit places in London famous for strange and unusual happenings!

Lucy: Christine this is definitely an interesting idea for a holiday with a difference! Well, if you're curious about ghosts and you love adventure, this could be just the holiday for you! Thanks Christine for this unusual holiday idea!

Christine: You're welcome, goodbye.

Eric: Well... things are different today; I mean women work now! 50 years ago only a minority of women worked. I think this is very important for female emancipation.

Tom: I agree with you Eric. Today women are fulfilled! They play an important role in society!

Marie: Yes but it's not easy for women; they have less time for the family, the children and the housekeeping!

Tom: I'm not sure that my grandmother would agree! Life was hard for her! There weren't any washing machines, dishwashers or vacuum cleaners! She was the washing machine, the dishwasher and the vacuum cleaner... And after all that work there was nothing to do, she stayed at home all the time! Today people go out three or four times a week to the pub, to the cinema, or to the disco; my grandparents were always at home!

Eric: Wow! Life is definitely different now! According to Tom life was hard in the past, now everything is easy. Marie doesn't agree. She thinks that life today is difficult and that people have lots of cares, worries and stress! And what do you think? Well it's time to say goodbye to our commentators.

Marie: Goodbye.

Tom: Goodbye.
